Article 1 - Provision and conditions of use.

Renters of surfing equipment are required to make good use of it and to respect safety instructions when using them. Prior to making the property available, its tenant must check its general condition. If necessary, the tenant is required to immediately report any damage to the board to Magnet Surf School staff. No subsequent complaint will be accepted. The tenant must respect the legislation in force concerning the protection of the coastline (parking, respect for marked trails, deposit of waste...).

Article 2 - Liability of the tenant towards Magnet Surf School.

The renter will be held responsible for all damage caused to the surfing equipment during the rental period, whether or not the perpetrator.

In the event of material damage, the tenant will be required to pay the surf school the value of the repairs to be provided, according to the prices indicated below:

Small ding : 30€

Big ding (more than 3cm) : 50€

Fins : 20€ per fins

Plug snatch : 40€ per plug

Stolen or lost board : 400€

Stolen or lost wetsuit : 100€

Ripped wetsuit : 50€

Article 3 - Liability of the tenant towards third parties.

The tenant is responsible for the use of the surf equipment during the entire rental period. As such, he is responsible for all bodily injury and / or material damage suffered or caused to third parties during its use, whether or not he is the perpetrator. He must scrupulously respect the rules of priorities.

Article 4 - Insurance.

The tenant must be insured for civil liability. Magnet Surf School cannot be held liable in the event of failure of such insurance.

Article 5 – Deposit.

When the equipment is made available by the lessor, the lessee must leave a valid identity card (passport / national identity card / driving license) or a check for the value of the rented goods as a deposit. When the equipment is returned, the deposit is returned to the tenant after deduction of any possible damage caused by the tenant and described in article 2.
