Article 1 - Provision and conditions of use.

Renters of surfing equipment are required to use it properly and to follow safety instructions when using it. Before making the property available, the renter must check its general condition. If necessary, the renter must immediately report any damage to the board to Magnet Surf School staff. No subsequent complaints will be accepted. The renter must comply with current legislation regarding coastal protection (parking, respecting marked trails, dumping waste, etc.).

Renters must provide a valid telephone number so that the school can contact them at any time in the event of dangerous weather conditions. The customer is independent, but must nevertheless follow the rental company's instructions regarding the dangers of the practice areas associated with weather conditions. All this information is specified on the website www.magnetsurf.com

Article 2 - Liability of the tenant towards Magnet Surf School.

The renter will be held responsible for all damage caused to the surfing equipment during the rental period, whether or not the perpetrator.

In the event of material damage, the tenant will be required to pay the surf school the value of the repairs to be provided, according to the prices indicated below:

Small ding : 50€

Big ding (more than 3cm) : 70€

Fins : 30€ per fins

Plug snatch : 50€ per plug

Stolen or broken board : 500€

Stolen or lost wetsuit : 120€

Ripped wetsuit : 50€

Article 3 - Liability of the tenant towards third parties.

The tenant is responsible for the use of the surf equipment during the entire rental period. As such, he is responsible for all bodily injury and / or material damage suffered or caused to third parties during its use, whether or not he is the perpetrator. He must scrupulously respect the rules of priorities.

Article 4 - Insurance.

The tenant must be insured for civil liability. Magnet Surf School cannot be held liable in the event of failure of such insurance.

Article 5 – Deposit.

When the equipment is made available by the lessor, the lessee must leave a valid identity card (passport / national identity card / driving license) or a check for the value of the rented goods as a deposit. When the equipment is returned, the deposit is returned to the tenant.
